Good News

The Catholic Community of Lawrence County will have Rev. Adam L. Ahern, MDiv serving as our Sacramental Minister, hopefully within the week. Fr. Ahern will be assigned here until we have a permanent priest assigned in early September. Fr. Ahern is looking forward to coming here and serving the CCLC. He is opened to having outdoor adoration, outdoor confessions and even outdoor Masses to enable our community to get back to gathering together. This is good news, because by the direction of the Archdiocese we are required to have an extensive plan for reopening our facilities before we can celebrate liturgies as a community in those facilities. The CCLC is in the process of developing these plans so we can begin gathering together ASAP. Below is Fr. Ahern's bio. Keep Fr. Ahern's and the whole community in your prayers.

God Bless,

Dcn Dave

Bio:
